Groups of 10 or more require a reservation.

Please call ahead for scheduling.

Cost

\$8 per person

Children under 2 admitted **FREE**

Learn & Grow Discovery Farm

Children will learn where their food comes from as they “work” the farm from 15 interactive learning stations. Through fun simulations, they’ll learn to “milk” a cow, “harvest” honey and produce, “gather eggs” from the coop, and feed the animals. They’ll return their produce to bins at the market and earn Patterson Farm Bucks to spend on fruit, ice cream or a toy.
