AUDIT SCOPE:

Harvest crew inspection of bell pepper and cucumber harvest. The field pack crew picked bell peppers into buckets and delivered to box truck where they are hand graded and placed into cardboard boxes. The boxes are taken to the packing facility for further labeling and cooling. The bulk pack crew was harvesting cucumber by picking by hand, placing into buckets and delivering to a flat bed truck where they are dumped into large bins. They are then taken to the packing facility for further handling and labeling. There were 54 men present at the time of the audit between the two crews.
